Blue Tongue Lizard Talk

Dear Families,

A special thank you to Mrs Lowe who relieved for me whilst I was on leave. During this time my fiancé and I eloped to Whitehaven Beach on the stunning Whitsundays.

It's hard to believe there are only four weeks left in the school year. Teachers are busily writing reports, school planning and working on class structures for next year. At this point we will be forming a 17th class. We are also currently in the process in recruiting teaching staff for positions available in 2018.

Swim scheme has started this week and went well today. We're hoping for the sun to shine a little during the week to make it a little warmer.

Students in Stage 3 will be participating in the Interrelate program this week and next week. This is an important part of our Personal Development and Health program as it covers the Human Sexuality content from the Growth and Development strand. All students will be attending as it is a part of the curriculum. Please contact the office if you do not wish your child to participate or have any questions about this.

We will be running a reporting session for parents/carers to help understand the changes that have been implemented to our report format this year. Sessions will be approximately 30 minutes. To accommodate family working arrangements we have two sessions available, one at 2:00pm and another at 7:00pm on 30th November 2017.

Thought of the week:

Warm regards,  
Melinda Williams
