Term 4 Week 8

 Blue Tongue Lizard Talk*

Dear Families,

Welcome to Week 8 of the term, we only have three weeks left to go. It is an incredibly busy time of year with so many events happening over the last few weeks. Reports are well underway and we have started our planning and class structure for 2018.

This Thursday is our reporting session for parents/carers to help understand the changes that have been implemented to our report format this year. Sessions are approximately 30 minutes. To accommodate family working arrangements we have two sessions available, one at 2:00pm and another at 7:00pm.

There has been some discussion circulating staff and our P&C around class participation in Secret Santa. After meeting with staff, a decision has been made not to participate in Secret Santa. Instead, the decision to participate in the spirit of giving was decided. Teachers are discussing this with their classes and today a decision will be made on which charity we will be giving to. A note will be sent home detailing more information about this during the week. Class parties will also still be held during Week 10.

Thought for the week:

Warm regards,

Melinda Williams
