Blue Tongue Lizard Talk*

Dear Families,

Students and members of the community enjoyed a lovely afternoon on Saturday at the Market Day and afterwards watched "The Greatest Showman" on the huge outdoor screen. Thanks once again to our amazing, hard working P & C who put so much effort into the event to make it wonderful.

Last week the students from Stage 3 attended Sport and Recreation Camp at Myuna Bay. The students had a fantastic time. They participated in rock climbing, kayaking, sailing, bush walking and cycling. These activities help the children work together as a team and build confidence. The teachers were very proud of all the students who were wonderful representatives of our school.

K-2 Gymnastics program has now finished up after a successful few weeks with the YMCA.

Yesterday we had the pleasure of hosting a luncheon for all our wonderful volunteers and community members that have contributed throughout the year in any way. It was a wonderful turn out and our students from Stage 3 did a great job helping to set up, serve and clean up. Their behaviour and manners were commented on by many of our guests.

The Year 6 Fun Day

This will be held on Friday, November 23, after recess. This is an important fundraiser for the Year 6 gift to the school. Year 6 students have organised themselves into groups and have chosen a Fun Day stall to run on the day. Students may need to provide some of the resources needed for the stall, however we ask that costs be kept to a minimum and families do what is financially manageable to support their child with their stall.

The focus on the day is FUN and it is always great to see students taking responsibility for their stalls and showing leadership in this way. Students in K-5 will need a token card to participate. These cost \$5. Information regarding the tokens was sent home earlier this week. Thank you for your support.
