Structures for 2019

Our thanks to everyone for their patience as we work through structures for 2019.

The school will implement a distributed leadership model. This means leadership will be instructional and distributed amongst staff that bring range of expertise and background experiences that will lead to igniting a sustainable school wide culture of learning and improved outcomes for each and every student.

2019 will be a journey into distributed instructional leadership and what that means for Hazelbrook Public School.

We will explore:

- how the distributed leadership model will look;
- how each member of the team will be involved as a result of their knowledge and skillsets;
- how to best develop school plans and milestones;
- whole school collaboration and collegiality;
- quality teaching - meeting the needs of all students, irrespective of those needs;
- the growth mindset;
- continuous school improvement strategies for teaching, learning, leading and administration;
- electronic tracking and monitoring student achievement data to ensure school wide student progress;
- how we engage teachers in cycles of observation, feedback and reflection of practice and student outcomes;
- how to create an environment whereby expertise spreads throughout our school in order to support the individual and collective work of teachers that leads to improved student outcomes;
- the understanding that distributed leadership is focussed on interactions and relationships that drive instructional improvement and improved student outcomes through the implementation of high quality teaching and learning and a culture where all students are valued
- the understanding that distributed leadership is not about dividing tasks and responsibilities.

Next year we expect:

Ms Holder, Mrs Roberts and Mr Lubimowski on Early Stage 1 (Kindergarten)

Mrs Golder, Ms Tarryn, Mrs Hewett and Mrs Singh on Stage 1 (Year 1)

Mrs Boyes/Mrs Gosby and Merit selection candidate on Stage 1 (Year 2)

Mrs Lowe, Mrs Forwood, Mr Spinelli on Stage 2 (Years 3 and 4)

Mrs Jagger, Mr Scott, Mrs Aurisch and an incoming staff member (to be advised) on Stage 3

Mrs Schmidt on MAC M

Mr Ferguson on Release from Face to Face

Mrs Evans and Mrs Peen on Learning and Support

Mrs Clift as teacher librarian.

We wish Mr Musgrave an incredible year up at Blackheath on a Stage 2 class. Don't know what we are going to do without him. I have warned Jamie to expect the odd call or more for help with technology! Lucky Blackheath.

We wish Ms Williams a fabulous year and hope we still get to share teaching and learning with her during 2019 but know there is a lucky school waiting for her.

We will share our beautiful Mrs Vella with Megalong PS for a few days a fortnight as she heads up there to support the school as the School Administrative Manager for terms 1 and 2. It is a wonderful opportunity for Mrs Vellaand how lucky is Megalong?

We do ask for your understanding, if after allocating students to classes and or we receive information in regard to staffing that we find ourselves in a situation where we have to make changes to classes to accommodate new incoming staff or new student enrolments.

Please consider arrangements fluid until we are back in 2019 and are up and running smoothly.

Thank you every one. Have a safe and restful weekend.

Emma Jamieson

P&C Meeting

Tuesday 11th December 7pm

All Welcome

**This will be a planning meeting for

PBL Positive Behaviour for Learning

Each week a student or teacher is recognised for being a respectful, responsible learner.

When students or teachers receive a 'PBL Bee' they put their Bee into the hive outside of 1L.

On Monday mornings the hive is raided and a winner is drawn.

This week's winners are:

Luca S	KDH
Joey S	1J
Thomas H	3-4F
Ella L	5-6A

PBL RULE OF THE WEEK:

I am **RESPECTFUL** If I show appreciation and I applaud

Some of you may/may not be aware that earlier this month Isla Roberts from 5-6B was diagnosed with leukaemia. Isla is one of the school's vice-captains and is in Mr Scott's class. When Isla loses her hair through her chemo treatments soon, some of her family and friends will also be going bald in order to raise money for the kids' cancer charity, Redkite.

Mr Scott will also be shaving off his beard to show his support. If you would also like to support Isla and her family by donating to Redkite here is the link:
