Here, there, everywhere. Blue Tongue Lizard talk

Dear Families,

Welcome to Term 3, Week 1.

We were eagerly anticipating the restrictions being lifted in Term 3 for overnight camps however due to recent developments unfortunately this is not the case and our Stage 3 camp will not be able to go ahead. A note for Stage 3 will be coming home with regards to a refund of the deposit paid for camp. If you choose to have the money held in credit this can be used for any siblings enrolled at HPS.

Until further notice from the Department of Education, we will continue on with all of the current procedures that were in place last term. This includes being vigilant around cleaning, good hygiene and sanitizing. If your child displays any symptoms of being unwell please keep them at home until the symptoms clear up. All non-essential visitors to the school are asked not to enter school grounds. We continue to be grateful for everyone's support during this time in assisting us to keep all of our students and staff as safe as we possibly can.

Fortunately, we are able to go ahead with the athletics carnival next week providing we adhere to strict guidelines. Adhering to these guidelines will mean that we need to restrict parent and carer access. If you do choose to attend the carnival as spectators, there will be bunting to mark out the carnival area and we request that parents and carers responsibly social distance on the outside of the bunting.

A separate note will be coming home to families of students in Years 3-6 with regards to parent teacher interviews. Adhering to Departmental guidelines, these interviews will now need to happen via teleconference. The note will provide further details of this process.

At this point in tie, school photos will still be on Friday August 21, further information will be coming home in the near future.

NAIDOC week has been postponed and will now be celebrated in November.

During the school holidays, Brian did an amazing job painting the concrete (several times because it rained) and assembled our new outdoor colourful seating. We are all super appreciative of Brian's time and the effort he put into making this area look beautiful. Some classes have already taken the time today to try them out and have some time in the sun. There is a photo of this new area included for you to see.

Warm Regards,

Melinda

**This week's bell song:
'Rocket Man' by Elton John.**

This week's bell song is 'Rocket Man' by Elton John.

Sir Elton John CH CBE (born Reginald Kenneth Dwight; 25) is an English singer, songwriter, pianist, and composer. Collaborating with lyricist Bernie Taupin since 1967 on more than 30 albums, John has sold more than 300 million records, making him one of the best-selling music artists. He has had more than fifty Top 40 hits in the UK Singles Chart and US Billboard Hot 100. Some accolades Elton John has received include: five Grammy Awards, five Brit Awards, two Academy Awards, two Golden Globe Awards, and a Tony Award.

Rocket Man first appeared on Elton John's 1972 album, Honky Château and became a hit single, reaching No. 2 in the UK Singles Chart and No. 6 in the US Billboard Hot 100. Rolling Stone lists it at No. 245 of its 500 greatest songs of all time

The reason why this song was chosen to be this week's bell song:

In recognition of the 51st Anniversary of the 1st Moon Landing (Monday July 20, 1969): Although some conspiracy still surrounds it, this week marks the 51st anniversary since America's Apollo 11 landed humans on the moon's surface for the first time. In all, Neil Armstrong and Buzz Aldrin reportedly spent 21 hours and 36 minutes on the lunar surface at a site they named Tranquility Base before lifting off.

I hope you enjoy the song.
Yours in music appreciation,
Mr Dewhurst
