2019 Hazelbrook Public School Band Program – Expression of Interest

Dear Families,

Each year Hazelbrook Public School runs an extra curricula band program for any interested students in Years 3-6. We offer quality, weekly instrument tuition and a Junior Ensemble session for beginners. This is in addition to maintaining our strong Concert Band and Recorder Ensemble programs.

Participation in our Band Program is open to all students in Years 3-6. **Students involved in the Junior Ensemble Program will be required to consistently attend their lunchtime tuition each week and their band session, which will probably start in Term 2 or 3. They will need to commit to regularly practicing their instrument.** They may also be required to attend 1-2 performances during the year.

**There is also a very important monetary commitment to the band program. Students are required to pay Tuition Fees of approximately \$80 per term and an additional Junior Ensemble fee of approximately \$70 per term when it begins. These fees cover the small group tuition from professional tutors, the band session, sheet music and administration. We have a small number of school instruments for hire at an additional \$20 per term.**

**Students also need to be prepared to commit time to practicing their instrument at home 3-4 times a week.**

If your child is interested in being involved in the 2019 Hazelbrook Public School Band Program please complete and return this form to Mrs. Schmidt by **Friday, March 8.**
